

## **MFHA Boat Launch Policy**

Members of the MFHA are permitted to use non-gas-powered boats on the lake. Boats may only be launched from the common area adjacent to the tennis courts. There are several sections of removable black fencing along the shoreline to facilitate launching. You must reinstall the fencing when you are finished and have removed your boat from the water.

Please be respectful of the residents living on the lake.

*Approved at the September 5, 2023 Board Meeting.*
