

MEADOWLAKE FARMS HOMES ASSOCIATION

Liability Release

This form must be signed by a member of your household who is age 18 or older before a pool pass will be issued.

I am hereby aware that swimming and diving are activities that pose potentially serious risks of injury or death to myself and my child(ren). As such, I hereby agree that in consideration of being permitted to participate as a member of the Meadowlake Farms Homes Association (the "Association") Pool and related Facilities, I will indemnify and hold the Association and its directors, officers, members, employees, representatives, and agents harmless from and against any and all actions, causes of action, costs, claims, damages, demands, expenses, fines, fees, judgments, liabilities, losses, obligations, penalties, proceedings, and suits of any and every kind and nature incurred, including, but not limited to, attorneys' fees and associated costs, (and whether pre-trial, at trial, mediation, or at arbitration, and/or in connection with any appeals, and regardless of whether suit is ever instituted) sustained, arising out of, or connected with any injury to myself or any member of my household, including death, or property, however caused, or from any matter whatsoever incident to, arising out of, or in consequence of my/our use of the Pool Facilities.

By signing this release, I understand that I am giving up (waiving, releasing, and forever discharging) any right I may have to sue or make a claim against the Association, its directors, officers, members, employees, representatives, and agents for any injury (including death) or loss of property I or any member of my household may suffer as a result of participation in any activity related to my/our use of the Pool Facilities.

I hereby certify that I know of no medical problems that would increase my or any member of my household's risk of illness or injury as a result of the use of the Pool Facilities.

I have read the foregoing liability release and sign below voluntarily and with full knowledge of its content.
